Press Release:

Produce your own TV show

Have an opinion you want to express on TV? You can make your own television program at Norwood Public Access TV. Be the star or work behind the scenes as producer, director, or camera operator for a studio production, athletic event, school concert or special community event. NPA-TV's mission is to provide Norwood residents with the knowledge and equipment to get their opinion on the air!

Our professional equipment is available to all Norwood residents for the production of Public Access programs for broadcast on NPA-TV. And we provide all the training you need-free of charge! Our next Production Workshop will begin on Thursday, January 29th and will continue for the next three Thursdays from 7-9 PM in the NPA-TV studio at Norwood High School. Registration is required. After taking this class, students will be certified at NPA-TV and can book equipment, studio or editing time to produce their own public access show. If you are interested in getting your opinion on TV, come to learn and bring a few future camera people with you! For more info, visit our website at www.npatv.org or call us at 781-551-0338.

NPA-TV's Channels are:
