For Immediate Release:

**Broadcast improvements to NPA's Meeting Coverage**

In its continuing effort to provide quality programming to the Town of Norwood, NPA-TV has recently upgraded the broadcast equipment at both the Selectmen's Chambers and the School Committee room. New cameras, audio systems and a new switcher have been installed in both locations. Another recent addition to the general broadcast quality of Norwood Public Access Television's channels has been the addition of a digital playback server in the broadcast rack. The new server allows NPA-TV to increase the amount of programming broadcast on its channels. NPA-TV has also recently upgraded its website where residents can now watch Board of Selectmen and School Committee Meetings on their computer on-demand. NPA-TV is in its fifth year and will be upgrading and celebrating for the remainder of the year – please stay tuned!

For more info, visit our revamped website [www.npatv.org](http://www.npatv.org) or call 781-551-0338.

NPA-TV's Channels are:

Town Channel – Norwood Light Broadband channel 23 or Comcast ch 8 or Verizon Ch 35

School Channel – NLB ch 22 or Comcast ch 12 or Verizon ch 34
