Press Release:

NPA-TV announces busy fall schedule

NPA-TV is proud to continue the tradition of taping every home Mustang Varsity Football Game. Hosted by “Mr. Norwood” Joe Curran Sr. and NPA’s veteran commentator Ed Hickey, each game will be taped and rebroadcast that same evening on the School Channel! The first home game is scheduled for Saturday, September 8th against Brookline.

Before the football season begins, NPA Sports’ Department’s Ryan Walker is working on a special Pre-Season Mustang Football Show. Hosted by Scott Murphy, it will highlight the upcoming Mustang football season. He will chat with Head Coach “Buzzy” Curran and some of the Captains. Tune in Labor Day weekend on the School Channel to catch the show.

NPA is proud to add yet another monthly show to its lineup. Labor Day weekend will see the premiere of a new NPA-TV produced show entitled “Recreation Roundup”. The program will highlight Civic Center activities and events and promote upcoming news at the Norwood Recreation Center. Tune to the Town Channel Labor Day weekend for the premiere episode.

Also this fall – NPA-TV will be full of activity on Norwood Day weekend. Kicking off the events will be coverage of the Norwood Day fireworks and activities on Friday night, September 14th. On Saturday, September 15th, NPA-TV will be broadcasting LIVE on Norwood Day from the NPA Booth! A live episode of Norwood Digest will kick off the day at Noon and following that, the NPA Mobile Broadcast Vehicle will be available all day at the booth for tours. Sunday, September 16th, NPA will be covering the Hall of Fame Brunch at the Norwood Elks. All of these activities will be rebroadcast throughout the fall months on the Town Channel.
