NPA Expands Program Schedule

Norwood Public Access TV is proud to announce a new expanded lineup on the Town Channel (NLB 23/Comcast 8). The station has listened to its viewers and has increased the amount of programs being broadcast. NPA has added half-hour time slots when possible and will fill these slots with additional programs. Due to the schedule expansion, the guide listed in the paper will now only show Prime Time Programming, which starts at 3pm and continues to 10pm. NPA is proud to provide quality programming for the cable subscribers of Norwood and continues to find ways to get more programming on the air. If you are interested in producing your own public access show, please visit www.npatv.org for more info.
